

Symantec Endpoint Security Tech Center

OVERVIEW

The Symantec Endpoint Security Tech Center is a collection of on-demand modules that address key features, common questions, and advanced topics that relate to the usage of Symantec Endpoint Protection and Symantec AntiVirus Corporate Edition in your organization.

Each concise module is designed to help you quick-fix problems, plan your environment, and get the most out of Endpoint Protection and Symantec AntiVirus. Each module presents a single topic and describes how it makes your life easier. Many include self-running demonstrations showing the solution being implemented by a Symantec expert.

DURATION

1 year subscription from date of activation

DELIVERY METHOD

Online

COURSE AUDIENCE

This tech center is for security professionals or IT administrators who are tasked with installing, configuring, and administering Symantec Endpoint Protection and Symantec Antivirus Corporate Edition.

PRACTICAL BENEFITS

- Guided self-paced learning. Endpoint security product experts take you best practices and troubleshooting tips.
- Affordably priced subscription to the Endpoint Security Tech Center gives customer access to a library of regularly updated learning modules.
- Alternative to calling technical support. These modules are built around frequently asked technical support questions.
- Refresh knowledge acquired through classroom training. If it's been some time since you've last attended classroom training, computer-based training is a quick and easy way to get yourself up to speed.
- Confidence that you are up to date on the latest best practices and frequently asked questions on Symantec Endpoint Protection and Symantec Antivirus Corporate Edition

KEY FEATURES

- Regularly updated with short e-learning modules built around frequently asked technical support questions
- Self-running demos that reinforce learning. This computer based training is more than just PowerPoint. Recorded software demos are used to help customers visualize and navigate through step-by-step instructions.
- Available online 24/7 online
