

## PC

### How to buy DLC from within the game (PC):

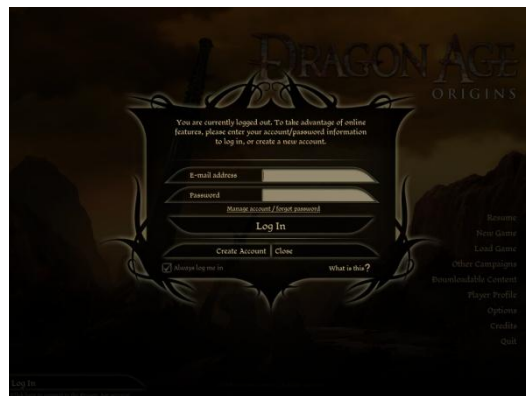

DLC for any PC version of Dragon Age: Origins can be purchased directly from within the game.

- 1) First make sure you have an online account created
  - a. Click [HERE](#) for a walkthrough on how to create your account.

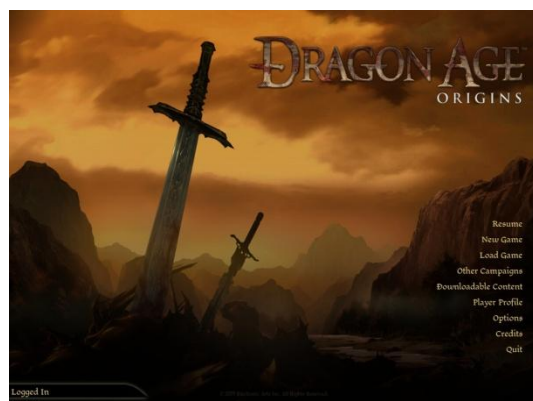

- 2) Log in to your online account
  - a. On the Main Menu, click the 'Log In' button at the bottom left of the screen

- a.
  - b. Enter your account's email address and password, then click the 'Log In' button

- 3) Back on the Main Menu, ensure the status button at the bottom left of the screen says 'Logged In' and below that is the email address of the account you want to use

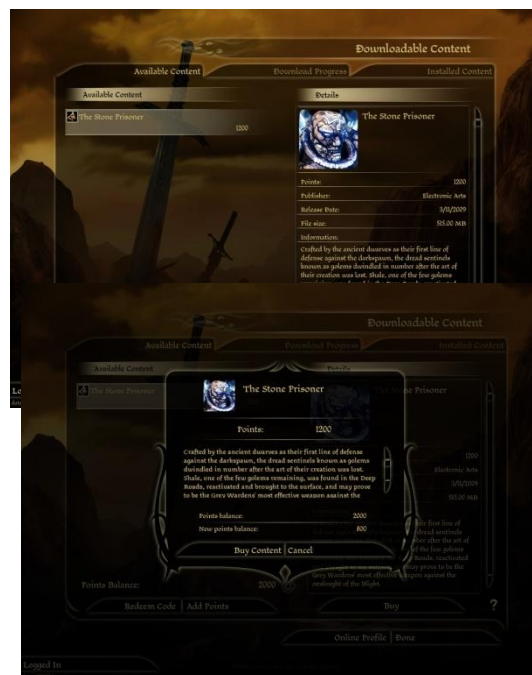

- 4) Select the 'Downloadable Content' option from the Main Menu

- 5) In the 'Available Content' tab you will see a list of DLC content available on the left hand side of the screen.

- 6) Select the content by clicking on it. You will see a detailed description on the right hand side of the window.

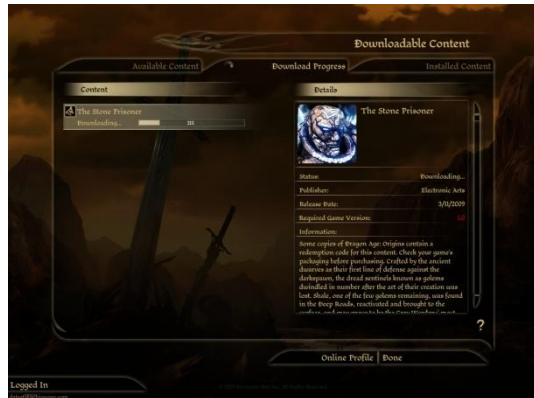

- 7) Under the content description text, click the 'Download' or 'Buy' button to get Free or Paid DLC respectively. A confirmation window will pop up.

- a. **IMPORTANT:** Some DLC content (such as 'The Stone Prisoner') is available for FREE through a promotional code which is included in each new box of Dragon Age: Origins, or e-mailed from the e-tailer where you purchased your digital download version. Make sure you check inside your game box or purchase emails and use the FREE code where this is available. Click [HERE](#) for a walkthrough on how to redeem a code within the game, or [HERE](#) for how to do that from the website.

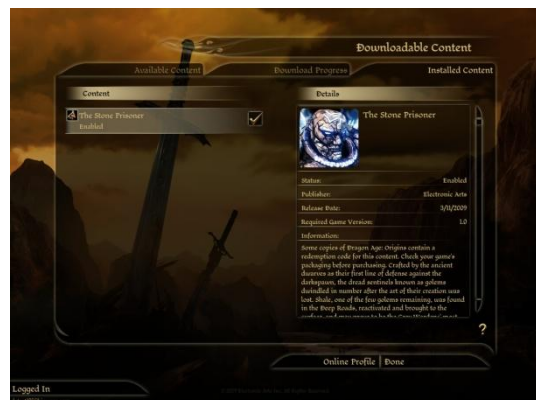

- 8) If you are sure you do not have a FREE code for this item, review the details on the confirmation window and click the 'Download' or 'Buy Content' button to proceed.

- 9) After successfully completing the process, the DLC item will disappear from the Available Content tab, and move to the Download Progress tab. Click the 'Download Progress' tab to follow the download progress.

- 10) Once it has completed downloading, extracting and installing the content, the DLC item will disappear from the Download Progress tab, and move to the Installed Content tab. Click the 'Installed Content' tab to review all DLC you currently have installed

on this machine. Ensure the content you just downloaded is set to Enabled.

- 11) To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game. You can find instructions in your Quest Journal for how to access the DLC content you just installed.

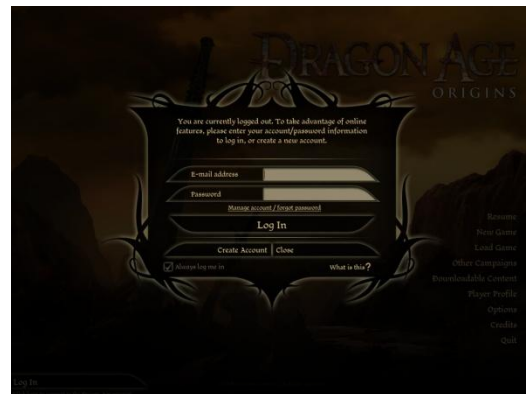

## How to Redeem Codes from within the game (PC):

You can also redeem codes on the website – click [HERE](#)

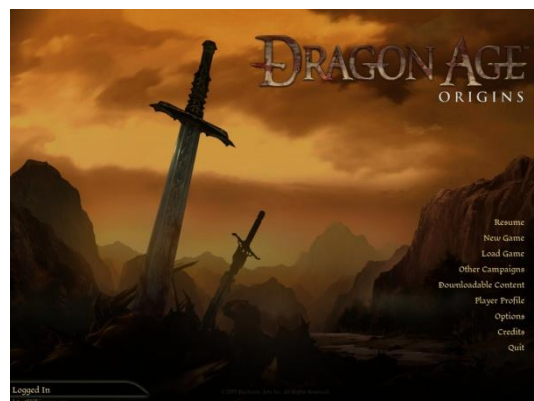

- 1) First make sure you have an online account created
  - a. Click [HERE](#) for a walkthrough on how to create your account.
- 2) Log in to your online account
  - a. On the Main Menu, click the 'Log In' button at the bottom left of the screen

- b. Enter your account's email address and password, then click the 'Log In' button

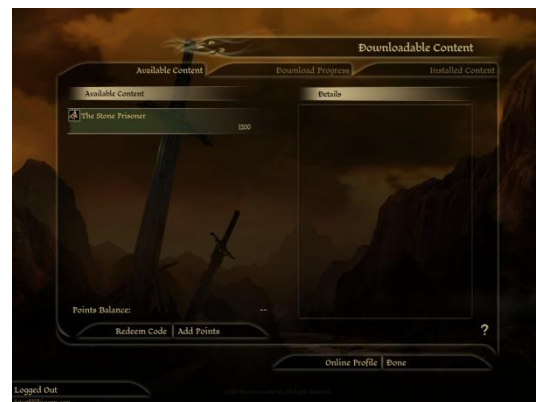

- 3) Back on the Main Menu, ensure the status button at the bottom left of the screen says 'Logged In' and below that is the email address of the account you want to use

- 4) Select the 'Downloadable Content' option from the Main Menu

- 5) Select the 'Redeem Code' button, at the bottom of the Available Content tab.

- 6) The game will be minimized and a web browser will open and automatically take you to the code redemption site. Enter the code exactly as it is written – include capitalization and dashes (e.g. "AAAA-BBBB-...").

- a. **NOTE:** Codes are one time use only – that account is enabled with that item forever, but the code will no longer work. Ensure you are logged in with the online account you would like to use when playing the game before using your code.

- 7) After successfully redeeming the code, return to the Downloadable Content menu in the game. The DLC item will automatically begin to download. Once it has completed downloading and installing the content, the DLC item will move to the Installed Content tab. Click the 'Installed Content' tab to review all DLC you currently have installed on this machine. Ensure the content you just downloaded is set to Enabled.

- 8) To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game. You can find instructions in your Quest Journal for how to access the DLC content you just installed.

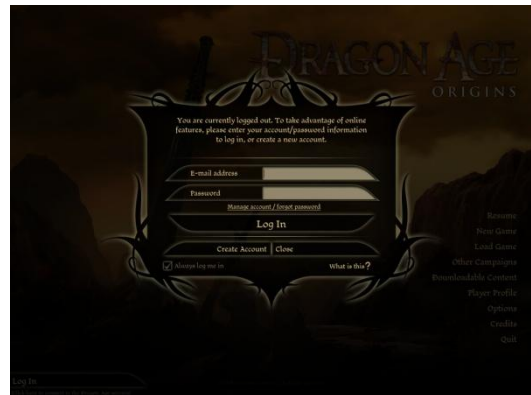

## How to Create an EA online account from within the game (PC):

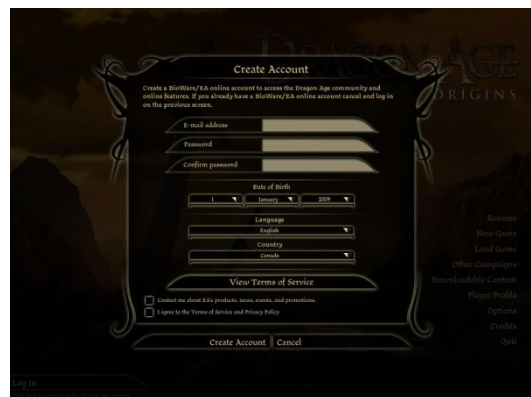

- 1) On the Main Menu, click the 'Log In' button at the bottom left of the screen

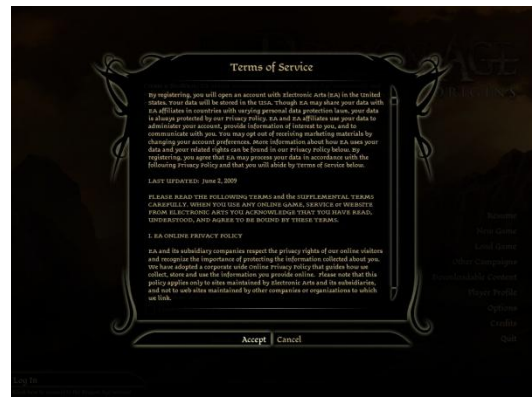

- 2) Click the 'Create Account' button

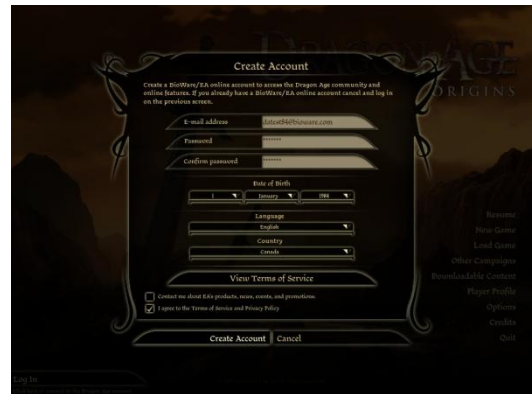

- 3) At the Create Account screen, enter in your relevant details then click the 'View Terms of Service' button

- 4) At the Terms of Service screen, click the 'Accept' button

- 5) At the Create Account screen, ensure the 'I agree to the Terms of Service and Privacy Policy' checkbox is enabled, and click the 'Create Account' button

- 6) After successfully completing the account creation process, return to the Main Menu

- 7) On the Main Menu, ensure the status button at the bottom left of the screen says 'Logged In' and below that is the email address of the account you want to use
